MEMORANDUM FOR: All NIOs

SUBJECT : DCID 1/2

1. You will shortly receive a package of priorities assigned to the countries in your area of responsibility under DCID 1/2. You are asked to compare these priorities for their proper balance in your area. A listing for the whole world will be in my office if anyone is interested in seeing it.

2. The IC Staff has changed the format and intent of DCID 1/2 substantially this year. The managers of the DCID will give us a briefing at 2:00 p.m. on 3 March in our conference room on the 7th floor. Since the NIOs seem likely to get drawn more into the priorities business as the Community and DCI take the process more seriously, may I suggest it will be worth your while to attend this meeting and hear what the IC Staff is about.

NOTE FOR: All NIOs

In the DDI, the responsibility for White House Situation Reports (WHSS'rs) has been transferred from the Current Reporting Group to the Operations Center. The Operations Center called to coordinate their first -- on the Middle East -- with the NIOs, but no one was available. I have advised the Operations Center that our coordination is not necessary but that we will, from time to time, have guidance to give them as to those substantive areas to which they should pay particular attention. Your advice on WHSS'rs, therefore, should be directed to the Operations Center,
